

# CFMS Spring General Meeting

## CALL FOR RESOLUTIONS & GUIDE TO RESOLUTIONS

April 25 – 26, 2014 – *Ottawa, Ontario*

### Instructions

Medical societies and meeting delegates are invited to put forward resolutions for discussion and debate at the *CFMS Spring General Meeting* during the Members Resolutions Session (tentatively scheduled for Saturday, April 26, 2014). Resolutions should reflect an understanding of ongoing and past work, and resolutions must pertain to new work of the Federation. Members are encouraged to review resolutions submitted at the previous meeting, available on the CFMS website under the AGM 2013 meeting documents section. Resolutions that include significant spending should be discussed with the CFMS VP Finance prior to submission. The Resolutions Committee will evaluate each resolution with respect to appropriateness and language. Resolutions will be ranked for debate according to congruence with mandates and priorities. If interested in learning more about previous CFMS work, do not hesitate to contact one of your local reps or executive members.

### Deadline

Resolutions must be received by Bryce Durafourt, CFMS SGM Chair, by e-mail at [resolutions@cfms.org](mailto:resolutions@cfms.org) on or before **Friday, April 18, 2014 at 17:00 EDT** to be *pre-circulated* to AGM delegates via [cfms.org](http://cfms.org). Additional written resolutions may be tabled if emailed to the SGM Chair by **Friday, April 25th, 2014 at 17:00 EDT**. *Based on the total number of resolutions received, there is no guarantee that resolutions will be given agenda time at the SGM but every reasonable effort will be made to do so.* Business will end promptly as scheduled in the agenda, and remaining resolutions will be referred to the Executive for consideration.

### Additional Information re: Position Papers and other documents brought forward via Resolution

Often during CFMS General meetings, delegates bring forward Position Papers – documents that discuss the stance of the CFMS as pertaining to issues of importance. Delegates are once again encouraged to bring forward Position Papers. All Position Papers and any other similar document must be accompanied by a written Resolution. **The final submission deadline for Position Papers and other such documents is Friday, April 18<sup>th</sup>, 2014 at 17:00 EDT. In order to allow delegates adequate time to review, Position Papers submitted after this time will not be considered at SGM 2014.**
