Host Sponsor	University of Manitoba Faculty of Medicine	Founded in 1883 as Western Canada's first medical school, the University of Manitoba Faculty of Medicine has graduated more than 7,000 physicians who have become influential medical leaders, world renowned health researchers and dedicated doctors. As Manitoba's only medical school, the U of M Faculty of Medicine has educated and trained the majority of our province's physicians. The mission of the University of Manitoba Faculty of Medicine is to develop, deliver and evaluate high quality educational programs for undergraduate and postgraduate students of medicine and medical rehabilitation, for graduate students and postdoctoral fellows in basic medical sciences and for physicians to practice; to conduct research and other scholarly enquiry into the basic and applied medical sciences; to plan for the development and delivery of health care services; and to help improve health status and service delivery to the Province of Manitoba and the wider community.
Platinum Plus	Doctors Manitoba	Doctors Manitoba is the voluntary, professional association that represents the economic, health policy and health promotion interests of the province's medical doctors. Founded in 1908 as the Manitoba Medical Association and retained that name until the end of our centennial year. Though it is an autonomous organization, Doctors Manitoba is a Division of the CMA, which serves the interests of physicians at the national level. Physicians who join both Doctors Manitoba and the CMA are known as "conjoint" members. There are nearly 2,300 licensed physicians in Manitoba, the vast majority of whom are conjoint members, along with most medical students in the University of Manitoba Faculty of Medicine. Overall, about 95% of eligible physicians and students are members of Doctors Manitoba/CMA. Moreover, all 429 residents (graduates in Doctors Manitoba medicine who are undergoing on-the-job training to become family physicians or specialists) are conjoint members.
Platinum	Manitoba Health Manitoba's Office of Rural & Northern Health	Manitoba Health's mission is to meet the health needs of individuals, families and their communities by leading a sustainable, publicly administered health system that promotes well-being and provides the right care, in the right place, at the right time. Driven by the need to increase the number of health care professionals in rural and northern Manitoba communities, Manitoba's Office of Rural and Northern Health (ORNH) was established as a component of the Manitoba Rural Physician Action Plan. The ORNH was initiated in the fall of 2002 with a clear goal in mind; to increase the number of graduating physicians and other

		health care professionals who choose rural and northern Manitoba as a place to live and practice their professions. The ORNH works with all rural and northern Manitoba RHA's to promote educational and practice opportunities. If you are interested in exploring opportunities in rural or northern Manitoba contact the ORNH and we will connect you to a great future.
