

# CFMS-GHP AGM Agenda

September 28<sup>th</sup>-30<sup>st</sup> 2012 – Winnipeg, Manitoba

## Friday, September 28<sup>th</sup>:

8:15 – 8:45 GHP Welcome and & Orientation

**To review: GHP Handbook**

13:40 – 14:00 Introductions

Each school will have 2 minutes to introduce themselves and to briefly summarize special events, projects, goals, or themes for their upcoming year.

14:00 – 15:00 NO Roundtable

This time is set aside for GHs to ask questions directly to each NO and the VP GH about their ongoing projects and to provide program feedback and suggestions.

**To review: NO/VP end-of-term activity reports**

15:15 – 17:00 Aboriginal and Refugee Health – Disadvantages Populations in Canada

This session will begin with presentations highlighting some of the current inequities affecting the health of disadvantaged populations within Canada, followed by a discussion on new and existing initiatives designed to combat these issues and where the role of the medical student lies. We will be joined by three guest speakers: Dr. Brenda Elias (U of M, Department of Community Health Sciences), Dr. Marcia DeCoteau (President of the Indigenous Physicians Association of Canada), and an elder from the U of M Centre for Aboriginal Health Education.

**To review: First Nations, Inuit, Metis Health Core Competencies; Wellesley Institute IFHP Analysis**

## Saturday, September 29<sup>th</sup>:

13:10 – 13:20 IFMSA AM2012

The VP GH will summarize the events and outcomes from the most recent IFMSA meeting held in Mumbai, India.

**To review: IFMSA August Meeting 2012 Report**

13:20 – 13:30 Ken Mendoza – IFMSA Internships

Ken Mendoza (UofM) participated in an internship with the WHO this past year and will discuss various internships available through the IFMSA.

13:30 – 13:40 IFMSA-Quebec Updates

Claudel P-Desrosiers (President of IFMSA-Quebec) will provide updates on events occurring within Quebec this year.

13:40 – 13:55 UWO – Community Health Initiatives

This will be a discussion on student-run clinics at various schools across Canada, how these clinics are run, and whether/how we might offer support for students looking to establish these programs at other schools.

13:55 – 14:10 Dalhousie – Medical Equipment Recovery Initiative (MeRCI)

Updates from the Dalhousie program and the direction they hope to take over the next year.
